UPDATE

New varieties and expanded selections

ANNUALS

Angelonia

AngelMist Series

Lush display of bright orchid-like flowers. No pruning or deadheading necessary. Heat and drought tolerant.

Color: Lavender, pink, white
Height: 14"-24" Spread: 10"-14"

Calibrachoa, Compact

Conga Series

Dozens of continuous blooming small petunia-like flowers with prostrate, low growing stems with a petite rose appearance. Does well in containers.

Color: Red, yellow, blush, orange
Height: 6"-10" Spread: 12"-24"

Begonia bolivensis

California Sunlight, Cute Kiss, Sparkle

Compact bush plant with long-lasting, slender, fluted flowers that hang from a compact bush and contrast with the green, serrated foliage. Heat tolerant.

Color: Orange, light pink, yellow
Height: 18"-20" Spread: 20"-24"

Calibrachoa, Mounding

Kabloom Series

Small petunia-like flowers with prostrate, low-growing stems.

Color: Magenta, white, pink
Height: 12"-18" Spread: 12"-18"

Begonia, Specialty

Unbelievable Series

Elegant, upright branching with large blooms against dark, narrow, and pointed foliage. Ideal for shade planters.

Color: Coral, cream
Height: 10"-14" Spread: 16"-18"

Celosia, Spiky

Intenz Purple

An eye-catching annual with flowers consisting of small spikes of intense colors. Good for borders and containers.

Color: Purple
Height: 10"-16" Spread: 8"-12"

Begonia, Rex

Jurassic Series

Striking foliage makes this tuberous plant a brilliant selection for containers and hanging baskets. Flowers are small and typically hidden beneath foliage.

Color: Foliage colors range from shades of red, green, and silver
Height: 12"-18" Spread: 12"-18"

Cleome

Pequena Series

Cut leaves give way to spidery-like flowers with long wavy stamen, held high on strong, leafy stems. More compact and better branched than other varieties.

Color: Soft pink
Height: 36"-72" Spread: 12"-24"

Bidens

Hawaiian Flare Series

Trailing habit with bright daisy-like flowers and deep green foliage. Will bloom from spring to fall. Heat tolerant.

Color: Orange-red
Height: 12"-14" Spread: 14"-16"

Cuphea

Vermillionaire

Summer blooming annual featuring small orange tubular flowers against dark green foliage. Its compact growth habit makes it ideal for containers.

Color: Orange-red
Height: 18"-24" Spread: 18"-24"

Euphorbia

Diamond Delight, Sparkle Series
Airy white double blooms create a cloud hovering over narrow leaves on this more compact, mounded plant. Heat and cold tolerant.

Color: White
Height: 12"-18" Spread: 12"-18"

Fuchsia, Upright

Aretes Series
Upright, compact form of the genus. Trumpet-shaped blooms in a variety of hot and pastel colors, on green or bronzed foliage.

Color: Pink, purple, white
Height: 24"-36" Spread: 18"-24"

Impatiens, New Guinea Hybrid

Bounce Series
Glossy foliage contrast well against brightly colored blooms for this plant that works well in the garden as well as hanging baskets.

Color: White, lavender, purple, rose, pink, red
Height: 12"-18" Spread: 12"-15"

Lobelia, Trailing

Techno Series
Trailing varieties, with billowing masses of blossoms. Cool weather tolerant. Ideal for hanging baskets.

Color: Blue, violet, white
Height: 6"-10" Spread: 10"-16"

Mecardonia

Gold Dust
Small, creeping annual featuring a blanket of bright yellow flowers against tiny foliage.

Color: Yellow
Height: 4"-6" Spread: 12"-15"

Morning Glory

Sunrise Serenade
Vigorous vine featuring beautiful double flowers about 2"-3" wide. Exceptional in containers with trellises.

Color: Cherry red
Height: 4"-6" Spread: Up to 12"

Osteospermum, Trailing

Osticade Series, Margarita Cascata Series
Daisy-like flowers with dark centered eyes on cascading plants. Heat and cool weather tolerant.

Color: White, pink, purple, yellow, salmon
Height: 6"-25" Spread: 12"-30"

Osteospermum, Upright

Blue Eyed Beauty
Daisy-like flowers with dark centered eyes on compact, upright plants. Heat and cool weather tolerant.

Color: Yellow blue bicolor
Height: 10"-14" Spread: 12"-20"

Petchoa

SuperCal Series
An ideal cross between Petunia and Calibrachoa, this annual features early blooming, vibrant flowers.

Color: Cherry, violet, rose
Height: 10"-16" Spread: 12"-18"

Petunia, Mounded

Espresso Series
Dwarf mounding plant that features vibrant, frilly blooms against rich foliage. Hardy and well-branched, this plant does well in hanging baskets and containers.

Color: Rose
Height: 12"-14" Spread: 12"-14"

Scaevola

Bondi Series
Compact, upright series that is ideal for small containers and gardens.

Color: Blue, white
Height: 6"-10" Spread: 12"-18"

Verbena, Trailing

Magelana Series
A spreading, trailing annual with large florets of vibrant color. Lacy foliage holds deep green color contrasting the vibrant blooms.

Color: Rose, lilac, magenta, midnight blue, red
Height: 8"-12" Spread: 16"-20"

OUR TALL ANNUAL PROGRAM

Tall annuals, or cutting garden annuals, are a new addition to our current program. These plants offer everblooming flowers on longer stems, great for cut flower arrangements, or to add season-long-color and height to the garden border.

Try our favorite mixes:

Cool Blue Mix: Soft and airy, perfect for a relaxed cottage garden look:

Ageratum, Blue Horizon
Salvia guaranitica, Black and Blue
Zinnia, Queen Laime
Snapdragon, Rocket Golden

Verbena bonariensis – mix with white cut Lillies, Penisetum seed heads, or Annabelle Hydrangea blooms when in season.

Fireworks Mix: A bright bold mix tempered by lime-green nicotiana flower:

Snapdragon, Rocket Red
Ageratum, Red Sea
Gomphrenia, Fireworks
Nicotiana alata, Lime green
Zinnia, Queen Red Lime

Would look great with coral colored Dahlias, and accompanying black Coleus foliage.

Mix Your Own: Make multiple combinations using the multi-colored blooms of these favorites:

Snapdragon, Rocket Mix
Zinnia, Benary Giant Mix

Mix with the complementary green-yellow flowers from perennial Alchemilla mollis, Calimagrostis Grass, 'Karl Forester' seed heads, and hosta foliage as a base.

PERENNIALS

'New Vintage Red'

Achillea

YARROW

Tough, dependable, colorful plants.
Excellent for cutting and drying.
Blooms early to mid-summer.

millefolium 'New Vintage Red'

Color: Red with creamy white centers

Height: 12"-14" Spread: 10"-12"

Zone(s): 3-7 | ☀️

millefolium 'New Vintage Violet'

Color: Violet with light pink centers

Height: 12"-14" Spread: 10"-12"

Zone(s): 3-7 | ☀️

'New Vintage Violet'

'Pretty Lady Emily'

Anemone

WINDFLOWER

Wonderful perennial for part shade,
some varieties are early blooming.

x hybrida 'Pretty Lady Emily'

Color: Pink with yellow centers

Height: 16"-18" Spread: 18"-24"

Zone(s): 5-9 | ☀️

x hybrida 'Pretty Lady Susan'

Color: Dark pink with yellow centers

Height: 12"-14" Spread: 18"-24"

Zone(s): 5-9 | ☀️

'Pretty Lady Susan'

'Black Negligee'

Actaea

BUGBANE

Bottle-brush-like flowers on tall stems
provide flowering interest for a partial
shade garden in mid-late summer.
Formerly known as Cimicifuga.

simplex 'Black Negligee'

Color: Creamy white bloom,
bronze-purple foliage

Height: 48"-60" Spread: 24"-36"

Zone(s): 3-9 | ☀️

simplex 'Chocoholic'

Color: Dusty pink bloom,
bronze-purple foliage

Height: 24"-36" Spread: 12"-24"

Zone(s): 4-8 | ☀️

'Chocoholic'

'Color Flash'

Astilbe

FALSE SPIREA

Feathery flowering spikes in a wide
variety of colors in early summer. Finely
serrated green or bronze foliage provides
season-long interest.

'Color Flash'

Color: Pink bloom, green foliage which
changes to, burgundy, then gold
during the growing season

Height: 12"-18" Spread: 12"-18"

Zone(s): 4-8 | ☀️

chinensis 'Visions In White'

Color: White

Height: 22"-24" Spread: 16"-18"

Zone(s): 4-9 | ☀️

x 'Younique Carmine'

Color: Fuchsia-red

Height: 22"-24" Spread: 16"-18"

Zone(s): 4-9 | ☀️

'Younique Carmine'

x 'Younique Lilac'

Color: Pinkish lavender

Height: 16"-20" Spread: 16"-18"

Zone(s): 4-9 | ☀️

x 'Younique White'

Color: White

Height: 16"-20" Spread: 16"-20"

Zone(s): 4-9 | ☀️

'Younique White'

Visit our website for availability, sizing options and product details.

Baptisia

FALSE INDIGO

A shrub-like plant that is pest resistant and drought tolerant. Prefers deep, rich soil. Cousin to Lupine, produces tall spikes of flowers in mid to late spring.

Decadence 'Cherries Jubilee'

Color: Maroon and yellow bicolor
Height: 30"-36" Spread: 30"-36"
Zone(s): 4-8 | ☀️ ☀️

Decadence 'Dutch Chocolate'

Color: Chocolate-purple
Height: 30"-36" Spread: 20"-24"
Zone(s): 4-8 | ☀️ ☀️

Decadence 'Lemon Meringue'

Color: Lemon-yellow
Height: 30"-36" Spread: 30"-36"
Zone(s): 4-8 | ☀️ ☀️

Echinacea

CONEFLOWER

These long-blooming, drought tolerant plants are a favorite of butterflies. Blooms July through September.

x 'Julia'

Color: Bright tangerine orange, with a copper cone
Height: 16"-18" Spread: 12"-16"
Zone(s): 4-7 | ☀️

x 'Raspberry Truffle'

Color: Coral-pink with a darker pink pom-pom center
Height: 28"-32" Spread: 20"-24"
Zone(s): 4-7 | ☀️

x 'Solar Flare'

Color: Magenta
Height: 24"-36" Spread: 18"-24"
Zone(s): 4-7 | N | ☀️

Coreopsis

TICKSEED

A versatile and varied group with colors ranging from white to yellow to red.

Big Bang Series

x 'Red Satin' - Athreadleaf Form

Color: Deep wine-red with orange center
Height: 15"-18" Spread: 18"-22"
Zone(s): 5-9 | ☀️

Heliopsis helianthoides

FALSE SUNFLOWER

Tall plant with daisy-type flower that blooms from June through October.

'Tuscan Sun'

Color: Yellow
Height: 12"-20" Spread: 20"-24"
Zone(s): 3-9 | ☀️

Dicentra

BLEEDING HEART

Beautiful lacy foliage and heart-shaped flowers make Dicentra a popular choice for shade gardens.

spectabilis 'Valentine'

Color: Dark red-pink
Height: 24" Spread: 24"-30"
Zone(s): 3-9 | ☀️

Hemerocallis

DAYLILY

Flowering from late spring to fall, with some cultivars re-blooming through out the season, daylilies produce flowers in a wide range of colors, shapes, and sizes, and are adaptable to most soil and light conditions.

'Siloam Peony Display'

Color: Peachy-yellow; double flower
Height: 18" Spread: 18-24"
Zone(s): 3-9 | ☀️ ☀️

'Corky'

Color: Deep yellow with mahogany stripes
Height: 20" Spread: 12"
Zone(s): 3-9 | ☀️ ☀️

Autumn Bride

Heuchera

CORAL BELLS

Attractive front-of-the-border or edging plant. Known for showy foliage.

x villosa 'Autumn Bride'

Color: Green
Height: 12"-24" Spread: 18"-24"
Zone(s): 3-8 | N | ☀️ 🌑

x villosa 'Big Top Burgundy'

Color: Burgundy-brown
Height: 15"-20" Spread: 18"-24"
Zone(s): 4-9 | N | ☀️ 🌑

x villosa 'Circus'

Color: Green, yellow, pink
Height: 12"-18" Spread: 18"-24"
Zone(s): 4-9 | N | ☀️ 🌑

x villosa 'Blackout'

Color: Shiny black with purple undersides
Height: 12"-18" Spread: 18"
Zone(s): 4-8 | N | ☀️ 🌑

'Plum Pudding'

Color: Deep burgundy with silver highlights
Height: 12"-18" Spread: 12"-18"
Zone(s): 4-9 | ☀️ 🌑

Big Top Burgundy

Plum Pudding

Hibiscus moscheutos

ROSE MALLOW

Tropical looking but hardy Hibiscus species requiring full sun and moist, organic, well drained soil. Large leaves emerge in late spring and flowers mid to late summer.

Summerific 'Berrylicious'

Color: Mauve lavender with dark red eye zone
Height: 54"-60" Spread: 54"-60"
Zone(s): 4-8 | N | ☀️

Summerific 'Cherry Cheesecake'

Color: Creamy white with red tipped petals, veining and eye zone
Height: 48"-60" Spread: 60"-72"
Zone(s): 4-8 | N | ☀️

Summerific 'Summer Storm'

Color: Pink with rose veining and dark red eye zone, cover dark wine purple foliage
Height: 48"-60" Spread: 48"-72"
Zone(s): 4-8 | N | ☀️

'Berrylicious'

'Cherry Cheesecake'

'Summer Storm'

'Elegance Purple'

Lavandula

LAVENDER

Silver-green foliage with white, slender perfumed purple-blue blossoms. Drought tolerant.

angustifolia 'Elegance Purple'

Color: Purple-blue flowers over silver-grey foliage
Height: 12" Spread: 10"
Zone(s): 5-9 | ☀️

x intermedia 'Phenomenal'

Color: Purple flowers over silver foliage
Height: 24"-36" Spread: 24"-36"
Zone(s): 5-9 | ☀️

'Phenomenal'

Leucanthemum

SHASTA DAISY

This old-fashion favorite produces large daisy blooms great for cutting. Blooms June to August.

x superbum 'Daisy May'

Color: White with yellow center
Height: 12"-24" Spread: 10"-24"
Zone(s): 5-9 | ☀️

Nepeta

CATMINT

Fragrant, silvery foliage accents the blue blossoms. Long bloomer, shear back after blooming to promote new growth.

x faassenii 'Purrsian Blue'

Color: Blue
Height: 12"-18" Spread: 18"-30"
Zone(s): 4-9 | ☀️

Physostegia virginiana

OBEDIENT PLANT

Spikes of trumpet-like flowers over lance-like foliage. Vigorous spreader.

'Pink Manners'

Color: Pink
Height: 24"-36" Spread: 18"-24"
Zone(s): 3-9 | ☀️ ☀️

Polemonium

JACOB'S LADDER

Dainty, bell-shaped flowers top fern-like foliage that is spaced in such a way as to resemble a ladder. Blooms April through May.

boreale 'Heavenly Habit'

Color: Medium blue with a yellow halo and white eye, fragrant

Height: 18"-20" Spread: 12"-18"

Zone(s): 3-7 | ☉

yezoense 'Purple Rain'

Color: Dark blue flowers on bronze-purple stems

Height: 18"-24" Spread: 12"-15"

Zone(s): 5-7 | ☉

Salvia

MEADOW SAGE

A long blooming perennial with spikes of flowers in shades of blue, rose or white with scented foliage. Blooms early spring into summer.

nemorosa 'New Dimension Blue'

Color: Intense violet-blue

Height: 9"-12" Spread: 12"-18"

Zone(s): 4-8 | ☉

nemorosa 'Sensation Deep Blue'

Color: Deep medium blue

Height: 10"-12" Spread: 12"-16"

Zone(s): 3-9 | ☉

Rudbeckia

BLACKEYED SUSAN

Large yellow daisy flowers with dark centers. Flowers are long lasting in the garden or as a cut flower. Varieties bloom summer through fall.

triloba

Color: Bright yellow with black centers that fade to brown.

Height: 24"-60" Spread: 12"-16"

Zone(s): 3-9 | ☉ ☉

fulgida 'Little Goldstar'

Color: Bright yellow with brown to black centers

Height: 12"-16" Spread: 14"-16"

Zone(s): 4-9 | ☉ ☉

Sedum

STONECROP

Flowers come in a variety of colors with forms from ground cover to upright. Low maintenance and drought tolerant.

'Maestro'

Color: Bright red buds open to mauve-pink; blue-green foliage with purple stems

Height: 24"-30" Spread: 18"-24"

Zone(s): 3-9 | ☉

Veronica

SPEEDWELL

Good border plant blooms June to September. Most varieties hold tall spikes of flowers, others are low growing, groundcover types with single flowers.

Magic Show 'Hocus Pocus'

Color: Violet-purple

Height: 16"-24" Spread: 10"-12"

Zone(s): 4-8 | ☉

CONTAINER DESIGN WITH PERENNIALS

Don't forget perennials when designing your container gardens. Perennials mix well with annuals, tropicals, and nursery stock to create unusual and exciting combinations.

For sun: Add trailing Sedum 'Angelina', Blue Fescue grass, and Alpine strawberries at the front of a container.

Tall grasses like Calimagrostis 'Karl Foerster', Miscanthus 'Adagio', or Variegated Iris ensata provide a strong backdrop.

For mid-height, Sedum 'Maestro', Lavandula 'Phenomenal', and Alchemilla mollis feature strong foliage even when not in flower.

For shade: Heuchera 'Big Top Burgundy' provides a pop of color, and mini hostas will provide texture at the front of a container.

Lacy black Actaea 'Chocoholic' foliage, Variegated Solomon's seal, and Ostrich fern work well for height.

Mid-height Astilbe 'Color Flash', and all different Hellebore varieties offer color from blooms and interesting foliage throughout the season.

TROPICALS

PALMS

KNOWN FOR THEIR LARGE
SIZE AND SMALL ROOTBALL

For height and scale:

Cocos Nucifera - Coco
Adonida Merrilli - Christmas
Wodyetia bifurcata - Foxtail
Hyophorbe lagenicaulis - Bottle
Hyophorbe verschaffeltii - Spindle

**Lush, leafy palms for containers,
screens and unique interest:**

Bismarckia nobilis - Silver Palm
Livistonia chinensis - Chinese Fan
Dypsis lutescens - Areca
Phoenix roebelenii - Pygmy Date

Shade tolerant understory palms:

Chamaedorea cataractarum - Cat Palm
Ravenea rivulans - Majesty Palm
Carpita mitis - Fishtail Palm

HIGH PERFORMERS

Tropical plants add seasonal color and a dramatic look! They do double duty as great outdoor shade garden and container plants offering seasonal color in the hot summer months.

Pool and Patio

Bougainvillea

Hibiscus

Palm livingstonia chinensis

Ensete maurelii

Vines

Dipladenia

Mandevilla

Passiflora

Trachelospermum jasminoides

Container - Color all summer long

NURSERY/TREES

Acer japonicum

FULL MOON JAPANESE MAPLE

'Aconitifolium'

Has green deeply lobed, sharply toothed leaves that turn red, orange and yellow in the fall.

Height: 8'-10' Spread: 8'-10'
Growth: Slow
Soil: Well-drained, moist
Zone(s): 5 | ☀️ ☀️

'Seiryu'

A very unique tree with lacey green leaves and an upright vase-shaped habit. Smooth bark is a light green color. Brilliant orange-red color in fall.

Height: 8'-10' Spread: 10'-12'

'Tamukeyama'

Deep crimson red leaves with slightly wider and less feathery lobes. Retains its color despite summer heat.

Height: 6'-8' Spread: 8'-12'

'Viridis'

Bright green leaves that turn brilliant orange, gold and red in fall.

Height: 8'-10' Spread: 10'-12'

Acer palmatum var. dissectum

WEeping JAPANESE MAPLES

This group of Japanese Maples has a cascading, pendulous habit with a mounded outline. Also called Laceleaf Japanese Maples.

Height: 8'-15' Spread: 10'-15'
Growth: Slow
Soil: Well-drained, moist
Zone(s): 5 | ☀️ ☀️

'Crimson Queen'

The feathery leaves of this cultivar are reddish-purple, sometimes with a green and bronze tinge in summer, with bright red new growth and fiery scarlet fall color.

Height: 8'-10' Spread: 10'-12'

'Ever Red'

New leaves are vivid red, fading to bronze green in summer, and change to brilliant red in fall.

Height: 8'-15' Spread: 10'-15'

'Inabe Shidare'

The lobes of these reddish purple leaves have fewer 'teeth' and cleaner lines than other cultivars. Has purple red spring and summer color turning brighter scarlet in the fall.

Height: 6'-10' Spread: 8'-15'

'Orangeola'

New leaves emerge bright orange, fade to greenish bronze in summer and heat up to orange red in the fall. It has exceptional form with tightly cascading branches.

Height: 6'-8' Spread: 4'-6'

'Red Dragon'

Leaves are resistant to scorch.

New leaves are cherry red.

Height: 6'-8' Spread: 6'-8'

Acer pseudosieboldianum

KOREAN MAPLE

Shallow pointed lobes on rounded leaves are a dark green in summer and turn fire engine red and brilliant orange. Habit is stiff and upright making it great for smaller spaces.

Height: 15'-20' Spread: 10'-15'
Growth: Slow
Soil: Well-drained, moist
Zone(s): 4 | ☀️ ☀️

Acer rubrum

x 'Armstrong'

Fastigate, upright branching habit. Silvery bark and deeply lobed leaves resemble its silver maple parentage. Fall color is variable.

Height: 45'-60' Spread: 15'
Growth: Moderate
Soil: Adaptable
Zone(s): 3 | NE | ☀️ ☀️

'Redpointe'

Distinctly pyramidal shape with a strong central leader and ascending branching habit. Bright red in fall.

Height: 45' Spread: 30'
Growth: Moderate
Soil: Wet to dry
Zone(s): 5 | NE | ☀️ ☀️

Acer tegmentosum

'Joe Witt'

Bark is green with vertical white stripes that stand out when planted in shade. Habit is upright and vase shaped. Serrated leaves are deep green in summer and buttery yellow in fall.

Height: 35' Spread: 25'
Growth: Moderate
Soil: Well-drained
Zone(s): 4 | ☀️ ☀️

Betula nigra

RIVER BIRCH

'Fox Valley'

Compact, densely rounded form. Exfoliating bark and bright yellow fall color. Also known as 'Little King'.

Height: 10'-12' Spread: 12'
Growth: Slow-moderate
Soil: Adaptive once established
Zone(s): 4 | NE | ☀️ ☀️

Acer shirasawanum

'Red Dawn'

New leaves in spring are red and turn to rich green, burgundy shades with bright red stems in summer. Fall color is orange, red, yellow. Forms a squat vase-shaped outline.

Height: 12'-15' Spread: 10'-12'
Growth: Slow
Soil: Well-drained
Zone(s): 5 | ☀️ ☀️

Cercidiphyllum japonicum

KATSURATREE

'Pendula'

Grafted, weeping form. Heart-shaped leaves emerge purple-red, change to blue-green in summer and shades of yellow in fall. Excellent as a focal point in the landscape.

Height: 15'-30' Spread: 15'-25'
Growth: Moderate
Soil: Rich, acidic, evenly-moist soil
Zone(s): 4 | ☀️ ☀️

Aesculus carnea

'Brionti'

Broad rounded habit. In mid May flowers bloom deep red forming 10" long panicles.

Height: 30'-40' Spread: 25'-35'
Growth: Moderate
Soil: Well-drained, moist
Zone(s): 4 | ☀️ ☀️

Cercis canadensis

REDBUD

'Hearts of Gold'

Unique chartreuse-gold summer leaves. Reddish-purple blossoms cluster branches before leaves in spring. Leaves tend toward green in shadier locations. Good choice for specimen or woodland plantings.

Height: 20'-25' Spread: 25'-35'
Growth: Slow-moderate
Soil: Well-drained, average
Zone(s): 5 | N | ☀️ ☀️

'Floating Clouds'

Redbud cultivar with white and green variegated leaves. Typical reddish-purple flowers line stems before heart-shaped leaves unfurl. Yellow fall color, exfoliating bark when older.

Height: 20'-25' Spread: 30'

Amelanchier lamarcki

Delicate, star-shaped white flowers bloom early spring, followed by sweet tasting black berries in late summer. Fall color is a mix of yellow, orange, and red.

Height: 20' Spread: 18'
Growth: Moderate
Soil: Well-drained, moist
Zone(s): 4 | NE | ☀️ ☀️

Chionanthus retusus

CHINESE FRINGE TREE

Uncommon, small, flowering tree with a rounded, broad canopy. Feathery white flower clusters in late spring are highly fragrant. Excellent specimen or accent in mixed borders. Yellow fall color.

Height: 15'-20' Spread: 10'-15'
Growth: Slow
Soil: Well-drained
Zone(s): 5 | ☀️

Cornus florida

APPALACHIAN SNOW FLOWERING DOGWOOD

'Appalachian Snow'

Cultivar with very large, overlapping, pure white flower bracts. Excellent powdery mildew resistance. Red fall color.

Height: 20'-30' Spread: 25'
Growth: Slow to moderate
Soil: Well-drained
Zone(s): 5 | NE | ☀️ ☀️

'Cherokee Chief'

Cultivar of our native Flowering Dogwood with deep-reddish pink flower bracts in spring. Leaves emerge bronze, turn green in summer and burgundy in fall. Red fruits persist into winter, and attract birds. Excellent specimen tree.

Height: 15'-20' Spread: 20'-25'
Growth: Slow to moderate
Soil: Average, acidic
Zone(s): 5 | NE | ☀️ ☀️

'Cloud Nine'

Profuse, very large, overlapping white flower bracts. Larger leaves. Typical layered branching structure, with fall color in shades of red-rust. Great focal point, or edge-of-the-woods border tree.

Height: 15'-25' Spread: 20'-25'
Growth: Slow to moderate
Soil: Average, acidic
Zone(s): 5 | NE | ☀️ ☀️

Liquidambar styraciflua

AMERICAN SWEETGUM

'Aurea'

Leaves emerge a soft, yellow-tinged pink, becoming variegated creamy-yellow in summer. Fall color is rose to red tones. Growth rate slower than species.

Height: 30'-60' Spread: 35'-50'
Growth: Fast
Soil: Average, rich, acidic
Zone(s): 5 | N | ☀️

'Moraine'

More narrow, pyramidal shape at maturity than the species. Most cold hardy variety available. Star-shaped, glossy green leaves turn bright colors of red, yellow, orange and purple in fall. Consider spiny, ball-shaped fruits when planting.

Height: 40'-60' Spread: 35'-40'

Liriodendron tulipifera

TULIPTREE

'Little Volunteer'

Dwarf selection, only around twenty feet at maturity. Perfect specimen for residential applications. Unique tulip-like flowers on older trees. Bold texture makes it an excellent accent plant.

Height: 20'-30' Spread: 15'
Growth: Slow
Soil: Rich, evenly moist
Zone(s): 3 | NE | ☀️

'Arnold'

Dwarf, fastigate cultivar. Well-suited for narrow spaces. Bright green leaves turn golden yellow in fall. Tulip-like flowers in spring on older trees.

Height: 50'-60' Spread: 15'-20'
Growth: Slow to moderate
Soil: Well-drained, rich, evenly moist
Zone(s): 5 | NE | ☀️

Magnolia x soulangeana

RUSTICA RUBRA SAUCER MAGNOLIA

'Rustica Rubra'

Large, dark pinkish-red buds open to bright pink flowers in spring before leaves. Shallow-rooted, can be multi-stemmed. More upright growth habit than species.

Height: 20'-25' Spread: 15'-20'
Growth: Moderate to fast
Soil: Adaptive
Zone(s): 5 | ☀️ ☀️

Pinus cembra

SWISS STONE PINE

'Chalet'

A dense narrow conical form of the species with soft blue-green needles.

Height: 10'-15' Spread: 4'-6'
Growth: Slow
Soil: Well-drained, slightly acidic
Zone(s): 3 | ☀️

Prunus cerasifera

CHERRY PLUM

'Crimson Pointe'

Pink flowers bloom before the deep maroon leaves. Narrow, tightly columnar form.

Height: 20'-25' Spread: 5'-6'
Growth: Moderate
Soil: Well-drained
Zone(s): 4 | ☀️

'Emerald Pagoda'

Styrax japonicus

JAPANESE SNOWBELL

'Emerald Pagoda'

Larger, more leathery leaves than the species. White bell-shaped flowers bloom in mid spring. Vase-shaped, upright habit when young, growing more rounded with age.

Height: 25'-30' Spread: 25'-30'

Growth: Moderate

Soil: Well-drained

Zone(s): 5 | ☀️ ☀️

'Pink Chimes'

Pink buds open to light pink bell-shaped flowers that droop from bright red stems.

Height: 25'-30' Spread: 25'-30'

'Snowcone'

Dense, symmetrical, pyramidal outline. Prolific bloomer. White bell-shaped flowers.

Height: 25'-30' Spread: 25'-30'

'Pink Chimes'

Ulmus americana

AMERICAN ELM

'Valley Forge'

Classic American Elm shape. One of the cultivars deemed most resistant to Dutch Elm disease.

Height: 60'-80' Spread: 50'-60'

Growth: Moderate to fast

Soil: Rich, moist

Zone(s): 3 | NE | ☀️

Zelkova serrata

JAPANESE ZELKOVA

'Musashino'

Tightly columnar form. Green summer leaves turn orange-red in fall. Tolerant of urban conditions.

Height: 45' Spread: 15'

Growth: Moderate to fast

Soil: Well-drained, adaptable

Zone(s): 5 | ☀️

'Ogon'

New chartreuse leaves contrast nicely with distinctly orange-brown bark. Leaves turn darker green in summer, yellow in fall.

Height: 25'-35' Spread: 20'-25'

'Musashino'

'Ogon'

TEXTURAL ACENTS

City Gardens

Cornus kousa 'Wolf Eyes'

Taxus m. 'Flushing'

Specimen

Chamaecyparis obtusa
Parrotia persica
Stewartia pseudocamellia

Reclamation

Clethra alnifolia
Kalmia latifolia
Viburnum nudum 'Winterthur'

Urban Conditions

Ginkgo biloba
Nyssa sylvatica
Zelkova serrata

Seasonal Interest

Acer griseum
Halesia caroliniana 'Jersey Belle'
Pinus densiflora 'Draconis'

Our nursery selection is in constant motion as we work to provide the latest introductions with proven performance records and the highest quality plant material.

NURSERY/SHRUBS

Azalea viscosum hybrids

WESTON'S AZALEA

Summer flowering deciduous shrub with highly fragrant flowers.

Height: 6'-8' Spread: 6'-8'
Growth: Slow to moderate
Soil: Well-drained, moist, slightly acidic
Zone(s): 4 | NE | ☀️ ☀️

Weston's Innocence

Heavy flowering, strongly scented shrub with small white flowers.

Height: 3'-6' Spread: 3'-6'

Weston's Lemon Drop

Peach buds open to pale yellow flowers.

Height: 6' Spread: 4'-6'

Weston's Parade

Dark pink flowers with orange flare.

Height: 6' Spread: 3'-5'

Weston's Pink and Sweet

Pink flowers with a yellow eye.

Height: 6' Spread: 3'-5'

Weston's Sparkler

Ruffled dark pink flowers

Height: 6' Spread: 4'-6'

Chaenomeles speciosa

'Cameo'

Coral red-orange blossoms in early spring followed by yellow fruit. Thornless.

Height: 5'-8' Spread: 5'-10'
Growth: Slow
Soil: Well-drained
Zone(s): 5 | ☀️ ☀️

'Jet Trails'

White flowers in early spring followed by yellow fruit.

Height: 5'-8' Spread: 5'-10'
Growth: Moderate
Soil: Well-drained
Zone(s): 4 | ☀️ ☀️

'Scarlet Storm'

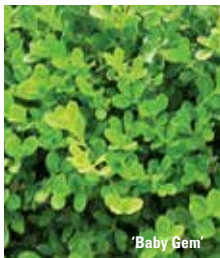

Double scarlet red flowers in early spring. Fruitless. Thornless.

Height: 3'-4' Spread: 3'-4'
Growth: Slow
Soil: Well-drained
Zone(s): 5 | ☀️ ☀️

'Toyo Nishiki'

White pink and red flowers in early spring.

Height: 6'-10' Spread: 6'-10'
Growth: Slow
Soil: Well-drained
Zone(s): 5 | ☀️ ☀️

Buxus microphylla x koreana

BOXWOOD

'Baby Gem'

Compact mounding habit.

Height: 4' Spread: 4'-5'
Growth: Slow
Soil: Well-drained, moist
Zone(s): 5 | ☀️ ☀️

'Franklin Gem'

Bright green leaves. Broad rounded habit.

Height: 2' Spread: 3'

Callicarpa dichotoma

'Issai'

Light pink flowers in the spring followed by green berries turning bright purple in late summer.

Height: 3'-5' Spread: 3'-5'
Growth: Moderate
Soil: Well-drained
Zone(s): 4 | ☀️ ☀️

Cornus alba

TARTARIAN DOGWOOD

'Elegantissima'

Deciduous shrub with green and white variegated leaves, white berries, gold and rosy red fall color, with red winter stems.

Height: 6'-10' Spread: 6'-10'
Soil: Moist
Growth: Moderate
Zone(s): 2 | ☀️ ☀️

'Ivory Halo'

Deciduous shrub with green and white variegated leaves. Compact rounded form. Red winter stems.

Height: 4'-6' Spread: 4'-6'
Soil: Moist
Growth: Moderate
Zone(s): 3 | ☀️ ☀️

'Siberica'

Multi stemmed deciduous shrub with redish-purple fall color and red stems.

Height: 4'-7' Spread: 3'-5'
Soil: Moist
Growth: Moderate
Zone(s): 3 | ☀️ ☀️

Cornus sanguinea

RED TWIG DOGWOOD

'Winter Flame'

Multi stemmed deciduous shrub with stems that are yellow at the base to orange and red at the tips. Yellow and orange fall color.

Height: 6'-10' Spread: 6'-10'
Growth: Moderate
Soil: Moist
Zone(s): 4 | ☀️ ☀️

Cornus sericea

YELLOW TWIG DOGWOOD

'Bud's Yellow'

Multi stemmed deciduous shrub with rounded form. Creamy white flowers in spring, white berries in summer and yellow stems in winter.

Height: 6'-8' Spread: 5'-6'
Growth: Moderate
Soil: Moist
Zone(s): 3 | NE | ☀️ ☀️

'Flaviramea'

Medium sized deciduous shrub forming thickets of greenish-yellow stems brightest in winter. Red orange fall color.

Height: 6'-8' Spread: 7'-9'
Growth: Moderate
Soil: Moist
Zone(s): 2 | ☀️ ☀️

'Isanti'

Multi stemmed deciduous shrub with a rounded form. Dark green summer foliage turning to red in the fall. Blood red stems in the winter.

Height: 4'-6' Spread: 4'-6'
Growth: Fast
Soil: Moist
Zone(s): 2 | ☀️ ☀️

Cotinus coggygria

SMOKE BUSH

'Grace'

Iridescent spring foliage is green overlaid with red. Large, pink, clouds of blooms, in the summer. Brilliant red, orange fall foliage.

Height: 10'-15' Spread: 10'-15'
Growth: Moderate
Soil: Well-drained
Zone(s): 5 | ☀️

'Old Fashioned'

Foliage starting out as grey-purple turning to blue-grey at maturity. Bright yellow-green flowers in spring.
Height: 6' Spread: 5'

Deutzia gracilis

'Yuki Snowflake'

White spring flowers.
Extra heavy blooming variety.

Height: 1'-2' Spread: 1'-3'
Growth: Moderate
Soil: Well-drained, rich
Zone(s): 5 | ☀️ ☀️

Hamamelis intermedia

WITCHHAZEL

'Jelena'

Rich coppery orange flowers add blazing color to the winter landscape.

Height: 10'-15' Spread: 6'-10'
Growth: Moderate
Soil: Well-drained, moist
Zone(s): 5 | ☀️ ☀️

'Westerstede'

A winter blooming deciduous shrub with mildly fragrant yellow flowers.
Height: 8'-12' Spread: 8'-12'

Hamamelis mollis

WITCHHAZEL

'Pallida'

A winter blooming deciduous shrub with mildly fragrant sulfur yellow flowers.

Height: 10'-15' Spread: 10'-15'
Growth: Moderate
Soil: Well-drained, moist
Zone(s): 5 | ☀️ ☀️

Hydrangea arborescens

SMOOTH HYDRANGEA

'Bella Anna'

Very similar to 'Annabelle' but with pink flowers.

Height: 3'-5' Spread: 3'-5'
Growth: Fast
Soil: Moist
Zone(s): 5 | NE | ☀️ ☀️

'Incrediball'

Blooms measure one foot across. New flowers open lime-green and change to white June through September.
Height: 4'-6' Spread: 4'-6'

'Invincibelle Spirit'

Large pink mophead flowers bloom hot pink then fade to rich rose pink.
Height: 3'-4' Spread: 3'-5'

'White Dome'

A dome-shaped mound of fertile beige flowers surrounded by white sterile flower petals. Blooms July through September.
Height: 4'-6' Spread: 4'-6'

Hydrangea macrophylla

BIGLEAF HYDRANGEA

'Bloomstruck'

A rebloomer from the Endless Summer series with dark pink to violet-purple flowers. Compact rounded habit with red stems and burgundy-red fall foliage.

Height: 2'-4' Spread: 3'-4'
Growth: Fast
Soil: Moist
Zone(s): 3 | ☀️ ☀️

Hydrangea paniculata

PANICLE HYDRANGEA

'Phantom'

Huge creamy white flowers shaped like rounded cones bloom atop sturdy branches July through September.

Height: 8' Spread: 8'
Growth: Fast
Soil: Moist
Zone(s): 3 | ☀️ ☀️

Hydrangea quercifolia

OAKLEAF HYDRANGEA

'Munchkin'

A dense mounding dwarf plant with white blooms changing to pink. Fall color is bright maroon.

Height: 2'-3' Spread: 3'-5'
Growth: Fast
Soil: Moist
Zone(s): 5 | NE | ☀️ ☀️

Ligustrum amurense

PRIVET

An upright vigorous growing deciduous shrub with small green leaves and white flowers May through June. Tolerates urban conditions and all soil types except wet. Commonly used for hedging, it withstands heavy pruning very well.

Height: 12'-15' Spread: 8'-15'
Growth: Fast
Soil: Adaptable to all except wet
Zone(s): 4 | ☀️ ☀️

Rhododendron catawbiense

CATAWBA RHODODENDRON

'Album'

A mid spring bloomer with pale pink buds opening to white flowers with a yellow splotch. Dark evergreen foliage.

Height: 6'-10' Spread: 6'-10'
Growth: Moderate
Soil: Well-drained, moist, acidic
Zone(s): 5 | N | ☀️ ☀️

'Chionoides'

Broad, dense growth habit with slightly narrow dark green leaves. White flowers with a yellow splotch bloom May through June.

Height: 3'-4' Spread: 4'-5'
Growth: Slow
Soil: Well-drained, moist, acidic
Zone(s): 5 | N | ☀️ ☀️

'Cunningham's White'

A dense rounded compact grower with dark green leaves. Flower buds are light pink opening to white.

Height: 4'-5' Spread: 4'-5'
Growth: Slow
Soil: Well-drained, moist, acidic
Zone(s): 5 | N | ☀️ ☀️

'Trilby'

Deep crimson flowers with a small black splotch bloom in mid to late spring. New stems are red.

Height: 6'-10' Spread: 5'-8'
Growth: Slow
Soil: Well-drained, moist, acidic
Zone(s): 5 | N | ☀️ ☀️

Viburnum carlesii

'Cayuga'

Upright rounded habit. Large four-five inch clusters of fragrant pink buds open to white flowers in late April. Red and black drupes in late summer. Orange red fall color.

Height: 6'-10' Spread: 6'-10'
Growth: Moderate
Soil: Well-drained, moist
Zone(s): 4 | ☀️

'Compactum'

Rounded compact habit. Fragrant pink buds open to three inch snowball like clusters in spring. Blue-black drupes in late summer. Wine red fall foliage.

Height: 2.5'-4' Spread: 2.5'-4'
Growth: Slow
Soil: Well-drained, moist
Zone(s): 4 | ☀️

'Diana'

Compact habit. Red flower buds transition to pink and open to fragrant white blooms. New growth is tinged with a purple cast. Purple-red fall foliage.

Height: 4'-6' Spread: 4'-6'
Growth: Moderate
Soil: Well-drained, moist
Zone(s): 4 | ☀️

Viburnum dentatum

'Autumn Jazz'

Graceful upright vase shaped habit. Showy, flat topped clusters of creamy-white flowers in late spring. Followed by dark blue berries and yellow foliage in fall.

Height: 6'-10' Spread: 8'-12'
Growth: Moderate
Soil: Well-drained, average
Zone(s): 4 | NE | ☀️

'Northern Burgundy'

Upright spreading habit. Profusion of creamy- white flowers followed by clusters of blue-black fruit amid burgundy fall foliage.

Height: 10'-12' Spread: 10'-12'

Viburnum dilatatum

'Asian Beauty'

Upright deciduous shrub. Flat topped white blooms in late May early June. Red fruit amid burgundy fall color.

Height: 5' Spread: 5'-10'
Growth: Moderate
Soil: Well-drained, moist
Zone(s): 5 | ☀️

'Cardinal Candy'

Domes of creamy-white flowers appear in late spring. Bright red fruits. Bronze-burgundy red fall color.

Height: 4'-5' Spread: 4'-5'

'Erie'

Blanket of creamy-white flat-topped cymes nearly hide the leaves in early May. Red-orange fruit in late summer turns coral pink after first frost.

Height: 6'-10' Spread: 5'-7'

'Michael Dodge'

Rounded habit. Abundant bright yellow fruit against a background of orange bronze fall foliage. Berries attractive to birds.

Height: 8'-10' Spread: 8'-10'

Viburnum x juddi

JUDD VIBURNUM

Similar to Viburnum carlesii. Has fragrant, snowball sized flowers in early spring followed by blue-black berries and red foliage in autumn.

Height: 6'-8' Spread: 6'-8'
Growth: Moderate
Soil: Well-drained, moist
Zone(s): 4 | NE | ☀️

Viburnum nudum

SMOOTH WITHEROD VIBURNUM

Native, medium to large shrub, with glossy dark green leaves, clusters of creamy white flowers, followed by white berries turning pink to blue-black and purple-burgundy fall foliage. Needs a cross pollinator for fruit production.

Height: 12'-15' Spread: 8'-12'
Growth: Moderate to fast
Soil: Moist to wet, acidic
Zone(s): 4 | NE | ☀️

'Brandywine'

More compact than the species.

Pollinates 'Winterthur'.

Height: 6'-10' Spread: 6'-10'

'Winterthur'

More compact than the species.

Pollinates 'Brandywine'.

Height: 6'-10' Spread: 6'-10'

Viburnum opulus

EUROPEAN CRANBERRYBUSH VIBURNUM

Medium to large shrub, with green maple shaped leaves and flat clusters of small white flowers, followed by bright red fruit.

Height: 10'- 12' Spread: 10'- 15'
Growth: Moderate
Soil: Well-drained, moist, average soil
Zone(s): 3 | ☀️

'Roseum'

Large, sterile selection, with clusters of flowers opening to green in spring.

Height: 12' Spread: 12'

'Nanum'

Dwarf, compact selection, Rarely flowers or fruits.

Height: 2' Spread: 2-3'

Viburnum trilobum

AMERICAN CRANBERRYBUSH VIBURNUM

Large shrub with a rounded form. Foliage is deeply lobed, dark green in spring turning red-purple in fall. Bears flat clusters of white flowers in spring followed by bright red edible fruit in fall.

Height: 8'-12' Spread: 8'-12'
Growth: Moderate
Soil: Well-drained, moist
Zone(s): 2 | NE | ☀️

'Alfredo'

Dense, compact form with excellent red fall foliage.

Height: 6' Spread: 6"

Concrete with Wire: 3 yard minimum

Logs and wood chips can be dropped off for free

No plastic bags

No trash

**Stop by or call the Landscape Office to purchase
a season pass or to confirm pricing and availability.**

BELGARD® HARDSCAPES

Allan Block

Create stunning landscapes with the AB Wall's classic cut stone look. With a varied combination of shapes, textures and colors, building impressive landscape walls is easy. Use the blocks individually or blend them together to create AB Ashlar Blend™ patterned walls that will give outstanding results.

Dublin Cobble

A true classic, its gently distressed surface and antiqued edges whisper quiet, timeless sophistication. Smaller than Bergerac and featuring a wide array of shapes, Dublin Cobble creates a casually elegant, timeworn look recalling the hand-laid stone of centuries-old Mediterranean villas.

Cape Cobble

A recent addition to the popular Dublin series Cape Cobble offers two sizes, a 6 x 6 and 6 x 9 each sold separately. The ease of installation combined with the beauty of a truly tumbled paving stone is the practical choice for a variety of residential and commercial installations. Cape Cobble's exceptional strength and durability as well as a range of captivating color blends make it a popular favorite with homeowners, builders, and designers alike.

London Cobble

Both durable and adaptable, London Cobble offers a more tailored, architectural look with its gently rounded corners and domed "pillow top" surface. The subtle color combinations and versatile pattern make it ideal for crafting intricate circular designs and captivating walkways.
